

## **Introduction to Hittite** (Prof. Philomen Probert)

These classes are aimed primarily at those taking the 'Additional language' stream within the General Linguistics and Comparative Philology paper (new format); for those taking Finals in 2027, the additional language will be Hittite. Everybody is welcome, and no previous knowledge will be assumed. However, this will be a fast-paced grammar and text reading course, and participants will be expected to do and hand in exercises regularly. The classes will take place on Mondays at 4 p.m. and Fridays at 9 a.m. in the Schwarzman Centre, room 30.445 (the Anna Morpurgo Davies Room, on the third floor).
